

University South Neighborhood Association
Meeting Memorandum

October 1, 2019

At 6:00 PM on Tuesday, October 1, 2019, a demonstration on fire safety and the proper use of fire extinguishers, was presented by Mike Dorman, of the Evansville Fire Department.

The meeting followed right afterward and was called to order by Sara Corrigan, with the Pledge of Allegiance.

Natalie Rascher, candidate for City Council 2nd Ward, gave a brief speech and encouraged those in the 2nd District to cast their vote for her.

It is not too late to sign up to attend the Sparkplug Banquet on October 24. Price is \$18 per person. Contact myself or Sara Corrigan if interested. We took nominations for the recipient of the Sparkplug Award and that will go to Sara Corrigan for going above and beyond as the President of our organization.

Shannon Stigleman gave the treasurer's report of \$357.69 in the checking account. For the Sparkplug Banquet, it was offered that in lieu of a gift basket, we would sponsor the cost of someone else to be able to attend for \$18.

Chad Diedrich gave the crime report and stated that there was a house on the 1600 block of Washington Avenue (a rental) that had been manufacturing or selling of meth. If you notice any suspicious activity in the neighborhood, please do not hesitate to contact Chad or the Evansville Police Department.

UNOE and Vectren are requesting a survey of city street lights. You can report of any streetlights that are out, the light is obscured by trees, or a pole is in dire need of repair. Contact Sara and she will get with the right personnel. Also, you can put in a request for a new streetlight, where you feel that one is necessary.

On Sunday, October 6, is the Lincolnshire Front Porch Fest. It begins at 3:00 (at 2:00, if you are interested in doing Yoga in that neighborhood's Triangle Park) and ends at 6:00 PM. All are welcome to listen to music with some food and drink booths, or just to walk around their neighborhood and chat with the citizens.

The next USNA meeting will be Tuesday, November 5, at the normal time of 6:30. This is Election Day, but we will be starting after the polls have closed. The address is 1419 Brookside Drive.
