

July 2022

University South Neighborhood Assn.  
Monthly Meeting - Triangle Park - Tuesday, July 5, 2022

The neighbors of USNA held their July meeting in Triangle Park. Seven people were in attendance on the hottest (so far) day of the year. This meeting was the first since May, as the June meeting was to be cancelled due to inclement weather.

Vice President, Mitch Luman, opened the meeting and welcomed everyone. Mitch started the meeting inquiring if anyone had any concerns to bring up.

Evansville PD, Crime Prevention Officer (CPO) Chadd Diedrich presented the crime report. As part of his report, Officer Diedrich urged everyone not to leave valuables in their vehicles, to keep valuables out of sight and to lock their cars.

Treasurer, Shannon Stigleman, reported \$324.69 in our checking account.

Mitch Luman reminded everyone that new officer candidates need to come forward soon. Currently, the position of President is vacant, and officers in the positions of VP, Treasurer and Secretary have been served by the same individuals for several years. Mitch asked if anyone would like to step up to serve. We also are in need of two United Neighborhoods of Evansville (UNOE) representatives.

Mitch reported on the construction of the new pedestrian bridge to be completed in a few years at HWY 41 & Washington Avenue, which will include an improved and radically different) traffic intersection. Mitch briefly described and asked for opinions on the proposed new pickle ball courts & tennis stadium at Wesselman Park. Comments in favor, and questioning why the vacant Roberts Stadium parking lot were not considered were aired. Mitch mentioned that those opinions could be expressed at a Park Board meeting on Wednesday, July 6.

Danielle Neeley suggested that USNA hold a plant swap. It was agreed that would be an excellent idea for fall of this year. The meeting adjourned.

The next two USNA meetings will take place in the Media Center at Bosse HS.

-August 2 Speaker Brian Fox from ESWU
