

# **Notice the location change of this event due to construction in the Walnut Room.**

Also, consider the road construction going on and the one-way street that is a drop off for the Riverfront Room.

You can drop off baskets/people on Riverside. If heading north on Riverside you will need to go to NW 2<sup>nd</sup> Street and make the U-turn which will take you to the Bally's Riverfront drop-off. If heading south from Fulton you will be able to pull in to the drop-off.

It is advisable to park in the Bally's parking garage and go to the crosswalk on the second floor. You will then take the skywalk to the escalator or elevators which will take you to the Riverfront Room.

If you have questions....call UNOE President, Jenny Thomas at 812-449-0295.
