## **From the President .....**

### **A SUMMER NIGHT IN AUGUST**

On Saturday, August 17th, the Evansville Riverfront was the place to be.

During the day, and evening, bikers from all over the world were racing on Riverside Drive and lower Dress Plaza. They were trim, colorful and fast.

Walkers, runners, and cyclists were enjoying a beautiful early autumn day along the greenway. Dogs of many breeds were walking along with their masters, as were children on bikes and skate boards.

At dusk, the Shakespeare Players were performing Twelfth Night on the patio next to the Pagoda. Guests brought picnics, blankets and lawn chairs to enjoy the performance. To add to the festive evening, the Roller Girls were skating along the greenway.

As the sun set over the Ohio River, a large white stern wheeler with a red paddlewheel was headed up the river, in all of its grandeur.

And if this was not enough entertainment, The Reitz Home was holding a mystery play written by Kelley Coures called "Thoroughly Murdered Millie".

So tell me; wouldn't guests at the new hotel find all of this entertainment most enjoyable and within several walking blocks from the hotel? And just maybe some visitors may want to come back to Evansville for a leisurely weekend and experience some of our other attractions, biking trails, local dining, cultural and sporting events?

*Charleen*

## UNOE Nominations

### Committee Report

9/3/2013

- Tom Loesch, Chairman

Members of the nominations committee will be meeting soon to discuss the slate of candidates we have been developing. So far, we have commitments from these members to run for office:

Carolyn Stagg for President  
Renee McCormick for Treasurer  
Bob & Jenny Thomas, for West Sector Regional VP  
Dave Ballew, for South Sector Regional VP  
Linda Jones, for At-Large board member  
Leonard Collins, for At-Large board member  
Lucy Williams, for At-Large board member.

Steve and Susan Harp would like to retire from the East Sector Regional VP position, but are willing to serve. We hope to secure a candidate so that we can honor their request.

We need two more At-large board member candidates. These positions are especially good for those who haven't served on a board before or on the UNOE board, as one gains broad experience but isn't burdened by a lot of responsibility. I have served this way and had the time to learn at my own pace and take on responsibilities such as chairing committees as I became more knowledgeable and comfortable.

**The position of Secretary is an important one and is vacant, as is the position of President-elect.**

Terms are for one year, and there are term limits. The UNOE Bylaws outline the responsibilities of each office, but please note that you, as an individual, determine how you handle those requirements. Please feel free to speak with a current officer or consult the office staff if you would like more information on the nuts and bolts operations of a specific office before making a decision to run.

And speaking of our office staff, I can tell you from personal experience that all board members receive a tremendous amount of professional help from Janice, Linda, and Donnalita. They are a tremendous resource and time-saver for all board members. A final reminder – you do not have to be a neighborhood association president to serve on the UNOE board. So please consider serving, even for a year. You may contact the office or any of the committee members with questions – [PLEASE LIST w/phone #s] and you just might hear from one of us!

## Why not fit in a visit to the Indiana Statehouse while you are in Indy?

Tours are available every weekday, except for holidays. Three types of tours can be scheduled during regular working hours. **All are free of charge.**

- **The Welcome Tour** is a 15-minute orientation lecture held in the Statehouse Rotunda. After the lecture is over, guests can tour the building on their own. You will not have access to executive, legislative or judicial rooms or offices.
- **The Express Tour**, lasting 30 to 45 minutes, gives an overview of the Statehouse and a guided view of the chambers of the Indiana House and Senate and the Indiana Supreme Court. These tours take place depending on the schedule of the group and the tour guide.
- **The Statehouse Tour** is 90 minutes long and can be scheduled for as many as 120 people, including students and teachers. It combines building and state history, and the group will visit an office in each branch of government, depending on availability. This tour also includes visits to the House, Senate and Supreme Court, and elected officials may speak to a group if schedules permit.

The Statehouse Tour Office is open from 8:00am - 5:00pm Monday through Fridays, except for legal holidays. Tours are given 9:00am to 3:00pm. On Saturdays, tours leave the Statehouse Rotunda at 10:15am, 11:00am, noon, and 1:00pm. The tour office is closed on Sundays.

Please remember the visitors to the Statehouse will have to go through security, including passing through metal detectors. All bags and packages will be x-rayed and inspected.

Handicapped individuals and scheduled tours will enter on the west doors of the lower level from Senate Ave. (Robert D. Orr Plaza). All other visitors must use the east doors of the upper level of the Statehouse that fronts the intersection of Capital Ave. and Market St.

To schedule a tour or ask specific questions about a tours, please call 1-317-233-5293 or email [touroffice@idoa.in.gov](mailto:touroffice@idoa.in.gov).

# FBI VIRUS

The Evansville Police Department would like to warn you about a computer virus circulating around the U.S. This virus starts with a popup and secret download that locks up your computer system. The message cites copyright laws and criminal code violations and states that the user has done something illegal, such as downloading or distributing copyrighted material, viewing child pornography or distributing spam.

The message also indicates that the user can avoid prosecution if he or she pays a fine of a few hundred dollars by Moneypak card within a short period of time. The message states the user could go to jail if the fine isn't paid in time. The virus attempts to obtain passwords and other financial information stored on the computer.

This is a scam and an attempt to frighten the user into giving the scammer cash or financial information. Do not fall for this! If your computer is infected with this virus, shut it down immediately and take it to a reputable computer repair technician.
