From the President

Greetings neighbors,

2016 is halfway completed and our neighborhoods across the city are active and engaged within our community. I want to take this time to remind everyone of a valuable resource available for neighbors, www.nextdoor.com. Nextdoor is the private social network for you, your neighbors and your community. It's the easiest way for you and your neighbors to talk online and make all of your lives better in the real world. And it's **FREE!!!** Thousands of neighborhoods across the nation are already using Nextdoor to build happier, safer places to call home.

Chris

People are using Nextdoor to: quickly get the word out about a break-in, organize a Neighborhood Watch Group, track down a trustworthy babysitter, find out who does the best paint job in town, ask for help keeping an eye out for a lost dog, find a new home for an outgrown bike, and finally call that nice man down the street by his first name. Nextdoor's mission is to use the power of technology to build stronger and safer neighborhoods.

Privacy on the net is always a huge issue for people, just as fences are sometimes necessary for your own yard. But online privacy is always necessary. Nextdoor makes it safe to share online the kinds of things you'd be okay sharing with your neighbors in person.

Here's how:

Every neighbor has to verify their address.

Every neighbor signs in with their real name. Just like in person.

Your website is protected by password and encrypted by HTTPS.

We never share your info with advertisers.

I encourage you to give Nextdoor a try if you are not already. If you would like to help with getting set up on Nextdoor or would like to become more aware of all the features it offers, please email me at ccooke@unoevansville.org or call the UNOE office at 812-428-4243 and we will make sure you get the guidance you seek!

Chris

ELECTION PROGRAM AVAILABLE FOR NEIGHBORHOOD ASSN. MEETINGS

The Vanderburgh County Election Office would like to offer a program for the Neighborhoods that would go through the voting experience. We would include dates and times as well as the forms that need to be used. We also would cover all forms of voting, absentee, travel board, early, and of course election day. We would give copies of current early voting and vote centers. The deadlines would also be mentioned as well as who to contact if you wish to work at the election. We are also there to answer questions and help in any way we can to encourage voting.

If you have any questions please call me at the telephone number for the election office which is 812-435-5122. We look forward to providing this information to the citizens of Vanderburgh Co.

- John Gerard, Election Supervisor
